

direct\_mode\_raw

vg\_draw\_pattern

Blue

```
graph LR; A[direct_mode_raw] --> C[Blue]; B[vg_draw_pattern] --> C;
```

A diagram illustrating a data flow or dependency. On the left, there are two rectangular boxes stacked vertically. The top box contains the text 'direct\_mode\_raw' and the bottom box contains 'vg\_draw\_pattern'. On the right, there is a gray rectangular box containing the text 'Blue'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the 'Blue' box, indicating that both 'direct\_mode\_raw' and 'vg\_draw\_pattern' contribute to or determine the 'Blue' value.
